Our December by Thriving Ivory

I could see (1)_____ cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were (2)_____ closer to me
I would play you a song out loud
Yeah, we could (3)_____ it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the (4)_____ to pass
I remember streets covered white
And I remember a long tonight

Said our December will be (5)_____ with light
And I see you walking to me
I could see snow (6)_____ hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember (7)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you (8)_____ to me
I remember streets (9)_____ white
And I remember a (10)_____ tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
