I Could Be The One by Stacie Orrico

I (1) be the one	Someone You're looking for
I could be the one	I don't (17) much to give
I wonder what I've got to be	Lord, I'm ready
For You to wanna use me	And through You
I do not always have just the right (2) to say	I could be the one
But You (3) me (4) things	Whatever you (18) me to do
That I'd (5) the chance to bring	I will hold on to
To a world of people who just simply need You	What you say can be done
Doesn't matter where I'm from	I could be the one
Where I've been	Someone You're (19) for
How far I've come	I don't (20) much to give
Doesn't matter where I live	Lord, I'm ready
Or what I have	And through You
You want my life	I could be the one
Doesn't (6) who I know	Whatever you want me to do
Or what I've done	I will (21) on to
You Take it all	What you say can be done
You want me as I am	I (22) be the one
I could be the one	Bright, Bright
Someone You're (7) for	Shooby-Doop, Shooby-Doop
I don't (8) to give	Bright, Bright
Lord, I'm ready	Shooby-Doop, Shooby-Doop-Doop
And through You	Bright
I could be the one	You take the crazy things
Whatever You want me to do	You take the weakest things
I will (10) on to	You use the foolish things
What You say can be done	To show Your glory
I could be the one	Lord take my broken heart
It is amazing to see	Take all of my mistakes
That You chose people (11) me	Please, take all of me
Who get off track, fall, crashin' down to the ground	I want to show how great You are
But that's (12) You pick me up	I could be the one
And (13) Your strength is enough	Someone You're looking for
You can use a broken (14) to heal a	I don't have (23) to give
(15) life	Lord, I'm ready
Doesn't matter (16) I'm from	And through You
Where I've been	I could be the one
How far I've come	Whatever you (24) me to do
Doesn't matter where I live	I (25) hold on to
Or what I have	What you say can be done
You want my life	I (26) be the one
Doesn't matter who I know	If You say it can be done
Or what I've done	I believe I (27) be the one [repeated]
You Take it all	
You want me as I am
