Fill in the gaps

i sit around and watch the tube		And I smell like snit	
But nothing's on		I got no motivation	
I change the (1) for an (2) or	Where is my motivation?	
two		No time for motivation	
Twiddle my thumbs just for a bit		Smoking my inspiration	
I'm (3) of all the same old shit		Sit around and watch the phone	
In a (4) with (5)	_ doors	But no one's calling	
And I'm fucking lazy		Call me pathetic (16) me (17) yo	u wil
Bite my lip and close my eyes		My mother (18) to get a job	
Take me away to paradise		But she don't (19) the one she's got	
'm so (6) (7) I'm going blind		When masturbation's lost its fun	
And I smell (8) shit		You're fucking lonely	
Peel me off this (9) seat		Bite my lip and close my eyes	
And get me moving		Take me (20) to paradise	
I'm sure as (10) can do it by myself		I'm so damn (21) I'm going blind	
l'm (11) a doo	g in heat	And (22) has to suffice	
Barred (13) from the summer street		Bite my lip and (23) my eyes	
l locked the (14) to my own cell		Slipping (24) to paradise	
And I lost the key		Some say "Quit or I'll go blind"	
Bite my lip and (15) my eyes		But it's just a myth	
Take me away to paradise			
I'm so damn bored
