

Fill in the gaps

There's a shadow just (1) me	Something but what's past and done?
Shrouding every step I take	Why can't we not be sober?
Making every promise empty	I (7) want to start (8) over
Pointing every finger at me	Why can't we sleep forever?
Waiting like the stalking butler	I just want to start this over
Whom upon the (2) rests	I am just a worthless liar
Murder now the (3) (4) "must we"	I am just an imbecile
Just because the Son has come	I will only complicate you
Jesus, won't you fucking whistle	Trust in me and fall as well
Something but what's past and done?	I will find a (9) in you
Jesus, won't you fucking whistle	I will chew it up and leave
Something but what's past and done?	Trust me
Why can't we not be sober?	Trust me
I just want to start this over	Trust me
Why can't we drink forever?	Trust me
I just want to start this over	Trust me
I am just a worthless liar	Why can't we not be sober?
I am just an imbecile	I just want to start this over
I will only (5) you	Why can't we sleep forever?
Trust in me and fall as well	I (10) want to start this over
I will find a (6) in you	I want what I want
I will chew it up and leave	I want what I want
I will work to elevate you	I want what I want
Just enough to bring you down	I want what I want
Mother Mary, won't you whisper	
Something but what's past and done?	
Mother Mary, won't you whisper
