Why are we fighting
Why are we lying
Maybe God (1) help me out
But he can't see the damned in this crowd
Did I loose it all
How did I miss the call
Conform me to an image of a doll
Break me up (2) his wall
I can't (3) in the mirror
And see (4) (5) there
All I see is an illusion
Fighting a war against the (6) who care
No need for saving
No need for saving Just set me free
o
Just set me free
Just set me free Can you please forgive me
Just set me free Can you please forgive me Words can't say the makings
Just set me free Can you please forgive me Words can't say the makings Buildings crumble down under
Just set me free Can you please forgive me Words can't say the makings Buildings crumble down under And (7) crash at the sound of thunder
Just set me free Can you please forgive me Words can't say the makings Buildings crumble down under And (7) crash at the sound of thunder I once believed

I can't look in the mirror And see myself standing there All I see is an illusion Fighting a war against the ones who care No need for saving Just set me free Once I was young now I'm old To see the truth that hides in me I can't look in the mirror And see myself standing there All I see is an illusion Fighting a war against the ones who care No need for saving Just set me free I just can't (9)____ in the mirror And see myself standing there All I see is an illusion Fighting a war against the ones who care No need for saving
