

Tonight by Alex Band

...

Well the sky broke in two
Found you dancing alone
Then the room filled up with you
And (1)_____ song we (2)_____ know
That's when you caught me with your eyes
And sent shivers down my spine
And then you whispered in my ear
You said "I can (3)_____ it too"
And then you pulled me into you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you (4)_____ I want you
Tonight
Tonight
Through all of science and history
Well nothing's ever stock with me
But now I'm (5)_____ on to you
And I'm holding on to
The only thing I know

Fill in the gaps

And now I'm never letting go
Tonight
I got you (6)_____ I (7)_____ you
Closer I can (8)_____ you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight, tonight
The (9)_____ world could fall away
But you and I
No we won't be afraid
Tonight
I got you where I want you
Closer I can tell you anything
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
I got you where I want you
Tonight

Answer

1. that
2. both
3. feel
4. where
5. locked
6. where
7. want
8. tell
9. whole

Fill in the gaps
