

Tonight by Alex Band

Fill in the gaps

...
Well the sky broke in two
Found you dancing alone
Then the room filled up with you
And that song we both know
That's when you caught me with your eyes
And sent shivers down my spine
And then you whispered in my ear
You said "I can feel it too"
And then you pulled me into you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll (1)_____ (2)_____ forever, all is right
Cause I got you (3)_____ I want you
Tonight
Tonight
Through all of science and history
Well nothing's ever stock with me
But now I'm (4)_____ on to you
And I'm holding on to
The only thing I know

And now I'm never (5)_____ go
Tonight
I got you where I want you
Closer I can (6)_____ you anything
You're the song that I sing
Tonight
Let the (7)_____ take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight, tonight
The whole world (8)_____ fall away
But you and I
No we won't be afraid
Tonight
I got you where I want you
Closer I can (9)_____ you anything
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you (10)_____ I want you
Tonight
I got you where I want you
