

Fill in the gaps

(Da da, da da da da da da da)	So take a breath of mist and mystery
Shipwreck in the sea of faces	And don't look back!
There's a (1) world up there	Birdseye view
Dear friends in higher places	Awake the stars 'cause they're all around you
Carry me (2) from here	Wide eyes (5) always brighten the blue
Travel light let the sun eclipse you	Chase your dreams, and remember me, (6)
'Cause your flight is about to leave	bravery
And there's more to this brave adventure	Because (7) all (8) wings will take
Than you'd ever believe	you, up so high
Birdseye view	So bid the forest a fond goodbye
Awake the (3) 'cause they're all around you	As you brace the wind and
Wide eyes will always (4) the blue	Take to the sky
Chase your dreams, and remember me, speak bravery	There's a realm (9) the trees
Because after all those wings will take you, up so high	Touch your feathers to the breeze (And leave the ground)
So bid the forest a fond goodbye	Birdseye view
As you brace the wind and	Awake the stars 'cause they're all around you
Take to the sky	Wide (10) will always brighten the blue
You take to the sky	Chase your dreams, and remember me, speak bravery
(Da da, da da da da da da da)	Because after all those wings will take you, up so high
On the hills of lore and wonder	So bid the forest a fond goodbye
There's a stormy world up there	As you brace the wind and
You can't whisper above the thunder	Take to the sky
But you can fly anywhere	You take to the sky
Purple burst of paper birds this	You take to the sky
