

I'll sing my song

Fill in the gaps

My (1) smells of a thousand fags	My song, my song
And when I'm drunk I dance like me Dad	If I did it all (11) I'd be a nun
I've started to (2) a bit like him	The (12) was never cold when I was young
Early morning when I wake up	I'm (13) young we're still young
l look (3) Kiss but without the (4) up	Life's too (14) to be afraid
And that's a (5) line to take it to the bridge	Step inside the sun
And you know and you know	And you know and you know
Cos my life's a mess	Cos my life's a mess
And I'm trying to grow	And I'm trying to grow
So before I'm old I'll confess	You think that I'm strong
You think that I'm strong	You're wrong, you're wrong
You're wrong	I'll sing my song
You're wrong	My song, my song
I'll (6) my song	(You (15) (16) I'm strong)
My song	(You're wrong, you're wrong)
My song	(I'll sing my song)
My bed's full of takeaways and fantasies	(My song, my song)
Of easy lays	Life's too short to be afraid
The (7) button's broke on my video	So (17) a pill to numb the pain
And is (8) real cos I feel fake	You don't have to (18) the blame
Oprah Winfrey Ricki Lake	Life's too short to be afraid
Teach me things I don't need to know	So take a pill to numb the pain
And you (9) and you know	You don't (19) to (20) the blame
Cos my life's a mess	Life's too short to be afraid
And it's starting to show	So take a (21) to (22) the pain
So before I'm old I'll confess	You don't have to take the blame
You think (10) I'm strong	
You're wrong you're wrong
