Getting Away With Murder by Papa Roach

Somewhere (1) happiness and sadness	Getting away, getting away, getting away, getting away
I need to calculate	Getting away, getting away, getting away,
What creates my own madness	(13) away
And I'm addicted to your punishment	Getting away with murder
And you're the master	Somewhere (14) happiness and sadness
And I am waiting for disaster	I need to calculate
I feel irrational	What creates my own madness
So confrontational	And I'm addicted to your punishment
To (2) the truth again	And you're the master
I am (3) (4) with murder	And I am craving (15) disaster
It isn't possible	I feel irrational
To never tell the truth	So confrontational
But the (5) is I'm getting away with murder	To (16) the truth again
Getting away, getting away, getting away	I am getting (17) (18) murder
I drink my drink and I don't even want to	It isn't possible
I think my thoughts when I don't even need to	To (19) tell the truth
I (6) I don't	But the reality is I'm getting away with murder
even (9) to	Getting away, getting away, (20) away
And I don't need to	I (21) irrational
Because I'm getting (10) (11) murder	So confrontational
I feel irrational	To tell the (22) again
So confrontational	I am getting away with murder
To tell the truth again	It isn't possible
I am getting away with murder	To never tell the truth
It isn't possible	But the reality is I'm (23) away with murde
To never (12) the truth
