

## Fill in the gaps

I'm waiting for my moment to come	Now we're (19) down
I'm (1) for the (2) to begin	We're spiralling
I'm waiting for a revelation	Tied up to the ground
I'm waiting for someone to count me in	We're spiralling
Because now I (3) see my dreams in everything I	Did you (20) be a winner?
touch	Did you wanna be an icon?
Feel (4) (5) hands on everything	Did you wanna be famous?
(6) I love	Did you wanna be the president?
Cold like (7) magnificent skyline	Did you (21) a war?
Out of my reach but always in my eye line	Did you wanna have a family?
Now we're tumbling down	Did you (23) be in love?
We're spiralling	Did you (24) be in love?
Tied up to the ground	When we fall in love
We're spiralling	We're just falling
I (8) you from jewels and stone	In (25) with ourselves
I made you in the (9) of myself	We're spiralling
I gave you everything you wanted	We're tumbling down
So you (10) (11) know	We're spiralling
(12) else	Tied up to the ground
But (13) (14) I reach for you	We're spiralling
You slip through my fingers	
Into cold sunlight	
Laughing at the things that I had planned	
The map of my (15) (16)	
(17) as I sit here	
Pulling at the (18) threads
