

## Fill in the gaps

bad

All that we needed was right	Focus on (10) better today
The threshhold is breaking tonight	All (11) I need and I (12) could say
Open to everything happy and sad	Hold on to people they're (13) away
Seeing the (1) when it's all going bad	Hold on to (14) while it's slipping away
Seeing the sun when I can't really see	So long
Hoping the sun will at least look at me	So long
Focus on (2) (3)	Open to everything happy and sad
today	Seeing the good (15) it's all (16) ba
All (4) I (5) and I never could say	Seeing the sun (17) I can't (18)
Hold on to (6) they're slipping away	see
Hold on to this while it's (7) away	Hoping the sun will at least (19) at me
All that we needed tonight	Focus on everything (20) today
Are people who love us and like	All (21) I need and I never could say
I (8) how it feels to mean it	Hold on to people they're slipping away
Oh and we leave here, you'll see	Hold on to this while it's (22) away
Open to everything happy and sad	Hold on to people they're (23) away
Seeing the good (9) it's all going bad	Hold on to (24) they're slipping away
Seeing the sun when I can't really see	
Hoping the sun will at least look at me	

- 1. good
