The (1)	is breaking tonight	All that I need and I never could say	
Open to everything happy and sad		Hold on to people they're slipping away	
Seeing the good when it's all going bad		Hold on to this while it's slipping away	
Seeing the sun when I can't really see		So long	
Hoping the sun will at least look at me		So long	
Focus on everything better today		Open to everything happy and sad	
All that I (2) and	d I never could say	Seeing the (5) when it's all going bad	
Hold on to people they're slipping away		Seeing the sun (6) I can't really see	
Hold on to (3) v	vhile it's slipping away	Hoping the sun will at least look a	t me
