

Fill in the gaps

I recommend getting (1) heart	You (13) and see when the smoke clears
Trampled on to anyone, yeah	You live you learn, you (14) you learn
I (2) walking around naked	You cry you learn, you lose you learn
In your living room, yeah	You bleed you learn, you (15) you learn
Swallow it down, (3) a (4) little pill	I I (oh oh)
It feels so good, swimming in your stomach	
Wait (5) the dust settles	Wear it out
You (6) you learn, you (7) you learn	The way a three-year-old would do
You cry you learn, you lose you learn	Melt it down
You bleed you learn, you scream you learn	You're (16) (17) to eventually,
I recommend (8) off (9) than	anyway
You can chew to anyone	The fire (18) are (19) up
I certainly do	around the bend
I recommend sticking your foot	You (20) you learn, you (21) you learn
In (10) mouth, at any time (oh)	You cry you learn, you lose you learn
Feel free	You (22) you learn, you ask you learn
Throw it down	You laugh you learn
The (11) you from the	
wind	
Hold it up, to the rays
