## Breaking The Habit by Linkin Park Memories concern

| Memories concern                     | Cuz inside I realize            |     |
|--------------------------------------|---------------------------------|-----|
| Like opening the wound               | That I'm the one confused       |     |
| 'm picking me apart again            | I don't know what's worth (6)   | for |
| You all assume                       | Or why I have to scream         |     |
| 'm safer in my room                  | I don't know why I instigate    |     |
| Unless I try to start again          | And say what I don't mean       |     |
| don't want to be the one             | I don't know how I got this way |     |
| Who battles always choose            | I'll never be alright           |     |
| Cuz inside I realize                 | So, I'm breaking the habit      |     |
| That I'm the one confused            | I'm breaking the habit tonight  |     |
| don't know what's worth fighting for | I'll paint it on the walls      |     |
| Or why I have to scream              | Cuz I'm the one that falls      |     |
| don't know why I instigate           | I'll never fight again          |     |
| And say what I don't mean            | And this is how it ends         |     |
| don't know how I got this way        | I don't know what's worth (7)   | for |
| know it's not alright                | Or why I have to scream         |     |
| So I'm breaking the habit            | But now I have some clarity     |     |
