Fill in the gaps

Breakdown by Jack Johnson

I hope this old train breaks down
Then I could take a walk around
See what there is to see
Time is just a melody
With all the people in the street walking fast as their feet
Can take them, I just roll through town
And though my window's got a view
Well the frame I'm looking through
Seems to have no concern for now
So for now I
I need this old train to breakdown
(Oh) please just let me please breakdown
Well this engine screams out loud
Centipede going to crawl westbound
So I don't even make a sound
Cause it's going to (1)_____ me when I leave this town
And all the people in the street that I'll never get to meet
If these tracks don't bend somehow
And I got no time
That I got to get to where I don't need to be
So I...
I need this old (2)_____ to breakdown
(Oh) please just let me (3)_____ breakdown
I need this old train to breakdown
(Oh) please just let me please breakdown
I want to break on down
But I can't (4)_____ now
Let me (5)_____ on down
But you can't stop nothing if you got no control
Of the thoughts in your mind that you kept and you know
That you don't know nothing but you don't need to know
The wisdom's in the trees not the (6)_____ windows
You can't stop (7)_____ if you don't let go
Of the things that you find and you lose and you know
You keep on rolling, put the (8)_____ on hold
(Because) the frame's too bright, so put the blinds down low
I need this old train to breakdown
(Oh) please (9)_____ let me please breakdown
I need this old train to breakdown
(Oh) please just let me please breakdown
I want to break on down
But I can't (10)_____ now

Fill in the gaps
