Breakdown by Jack Johnson

I hope this old train breaks down

Then I could take a walk around

See what there is to see

Time is just a melody

With all the people in the street walking (1)_____ as their feet

Can take them, I just roll through town

And though my window's got a view

Well the (2)_____ I'm looking through

Seems to have no concern for now

So for now I

I need this old train to breakdown

(Oh) please just let me please breakdown

Well this engine screams out loud

Centipede (3)_____ to (4)_____ westbound

So I don't even make a sound

Cause it's going to sting me when I leave this town

And all the people in the street that I'll never get to meet

If these tracks don't bend somehow

And I got no time

That I got to get to where I don't need to be

So I...

I need this old train to breakdown

(Oh) please just let me (5)_____ breakdown

I need this old train to breakdown

(Oh) please just let me please breakdown

I want to break on down

But I can't stop now

Let me break on down

But you can't stop nothing if you got no control

Of the thoughts in your mind that you kept and you know

That you don't know nothing but you don't need to know

The wisdom's in the trees not the (6)_____ windows

You can't stop wishing if you don't let go

Of the things that you find and you lose and you know

You (7)_____ on rolling, put the moment on hold

(Because) the frame's too bright, so put the blinds down low

I need this old train to breakdown

(Oh) please just let me please breakdown

I need this old train to breakdown

I (9)_____ to break on down

But I can't stop now
