

## Fill in the gaps

I don't know, what (1) wrong	I (17) be here
If I did, would it matter cause	I (18) be here
It (2) wasn't enough	I will be here
You know when the moment comes	I will be here
To be strong, to resistance	I will be here, I will be here
And that is what	(Oh oh oh oh)
We're lead to believe	When the big road falls apart
When the big road (3) apart	And you think that the (19) will linger
And you think that the (4) (5)	You (20) somewhere to start
linger	I will be here
You (6) somewhere to start	And when it all seems to fall apart
I will be here, I will be here	You can't breathe
You don't mind if life's not (7) pretty	You don't know (21) you're thinking
It will soon disappear and will be (8) away	You need (22) to start
Away from here	I will be here, I will be here
When the big (9) (10) apart	When the big road falls apart
And you (11) (12) the	And you think (23) the feeling will linger
(13) will linger	You need somewhere to start
You (14) somewhere to start	I will be here, I will be here
I will be here	
And when it all seems to fall apart	
You can't breathe	
You don't (15) what you're thinking	
You need (16) to start
