who is the man i see		So put me where i belong	
Where I'm (1)	to be?	I don't know (7)	I am
I lost my heart, I buried it too deep		And I don't really care	
Jnder the (2) sea		I look myself in the eye	
Oh, crystal ball, crystal ball		There's no one there	
Save us all, tell me life is beautiful		I fall upon the earth	
Mirror, mirror on the wall		I call upon the air	
Lines ever more unclear		But all I get is the same old vacant stare	
'm not (3) I'm even here		Oh, crystal ball, crystal ball	
The (4) I look the more I think (5) I'm		Save us all, tell me life is beautiful	
Starting to disappear		Mirror, mirror on the wall	
Oh, crystal ball, crystal ball		Oh, crystal ball, hear my song	
Save us all, tell me life is beautiful		I'm (8) c	out, (9)
Mirror, mirror on the wall		know is wrong	
Oh, crystal ball, hear my song		So put me (10)	I belong
I'm (6) out, everyth	ning I know is wrong
