

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the back of my head	We were victims (18) but lonely
I would have (1) you (2) you	You got hungry eyes (19) just can't (20)
(3) good	forward
As I walked away	Can't (21) them (22) but we just
If you could've tried to (4) the hand	can't (23) over
(5) fed	Building with bent nails we're falling but holding
You would've (6) been hungry	I don't wanna take up anymore of your time
But you (7) be	Time, time, time
The more of (9) or less of this or is there any	Sometimes time doesn't heal
difference	No not all
Or are we (10) holding	Just stand still
Onto the (11) we don't have anymore	While we fall
Sometimes time doesn't heal	In or out of love (24) I doubt I'm gonna win you
No not at all	back
Just stand still	When you got eyes like that
While we fall	It won't let me in
In or out of (12) again I (13) I'm	Always looking out
gonna win you back	Always looking out
When you got eyes like that	Always looking out
It won't let me in	
Always (14) out	
Lot of (15) spend their (16)	
(17) floating
