If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the back of my head	We (10) (11)
I (1) have told you (2) you looked	(12) but lonely
good	You got hungry (13) that (14) can't look
As I walked away	forward
If you could've (3) to trust the hand	Can't give (15) (16) but we
(4) fed	(17) can't start over
You would've never been hungry	Building (18) bent (19) we're falling
But you never really be	but holding
The (5) of this or less of (6) or is there	I don't (20) take up anymore of your time
any difference	Time, time, time
Or are we just holding	Sometimes (21) doesn't heal
Onto the things we don't have anymore	No not all
Sometimes time doesn't heal	Just stand still
No not at all	While we fall
Just (7) still	In or out of love (22) I (23) I'm
While we fall	(24) win you back
In or out of love again I (8) I'm gonna win you	When you got eyes like that
back	It won't let me in
When you got eyes (9) that	Always (25) out
It won't let me in	Always (26) out
Always looking out	Always (27) out
Lot of people spend their time just floating
