

## Fill in the gaps

_et it (1) be said	Ruby, Ruby, Ruby!
That romance is dead	Do ya, do ya, do ya!
Cause there's so (2) else	Know what you're (10) (11) to
Occupying my head	me!?
There is nothing I need	Ruby, Ruby, Ruby!
Except the function to breath	Could it be, (12) it be
But I'm not really fussed	That you're joking (13) me
Doesn't (3) to me	And you don't really see
Ruby, Ruby, Ruby, Ruby!	You and me
Do ya, do ya, do ya, do ya!	Could it be, could it be
Know what you're (4) (5) to me!?	That you're joking with me
Ruby, Ruby, Ruby, Ruby!	And you don't really see
Due to (6) of interest	You and me
Tomorrow is cancelled	Ruby, Ruby, Ruby!
Let the (7) be reset	Do ya, do ya, do ya!
And the pendulums held	Know (14) you're doing (15) to me!?
Cause there's (8) at all	Ruby, Ruby, Ruby!
Except the space in-between	Do ya, do ya, do ya!
Finding out what you're called	Know what you're (16) doing to me!?
And (9) your name
