

And I'm on my way...

## Fill in the gaps

## Written In The Stars by Tinie Tempah & Eric Turner

(Oh)	•••
Written in the stars	(Yeah), I needed a change
A million miles away	When we ate we never took because we needed a change
A message to the main (oh)	I (17) a break
Seasons (1) and go	For a sec I (18) gave up believing and praying
But I will never change	I even done the (19) stuff and was leaded astray
And (2) on my way	Now money is the root to the evilist ways
Let's go yeah!	But (20) you ever been so hungry that it
You're (3) now	(21) you awake
They say they (4) heard nothing like this in	Mate, now my hunger would leave (22) amazed
a while	Great, it feels like a long time coming, fam
That's why they (5) my song on so many different	Since the day I thought of that cunning plan
dials	One day I had a dream I (23) to chase it
Cause I got more (6) than a	But I wasn't going nowhere, running man!
(7) child	I knew that maybe someday I would understand
When they see me everybody (brrrrrap's, brrrrrraps)	Trying to (24) a tenner to a hundred grand
Man I'm like a (8) gun (9) black	Everyones a kid that no-one cares about
Barrack	You just have to keep (25)
I (10) tear drops over the massive attack	(26) they (27) you out
I only (11) hits like I work with a racket and bat	(Oh)
Look at my jacket and hat	Written in the stars
So damn berserk	A million miles away
So down to earth	A message to the main
I'm bringing (12) back	(Oh)
Adopted by the major I want my family back	Seasons come and go
People work hard just to get all their salary taxed	But I will never change
Look I'm just a writer from the ghetto	And I'm on my way
Like (13) black man!	
Where the (14) all the sanity at, damn!	(Oh)
I used to be the kid that no one (15) about	Written in the stars
That's why you have to keep screaming	A million (28) away
Til they hear you out	A message to the main
(Oh)	(Oh)
Written in the stars	Seasons come and go
A million (16) away	But I will (29) change
A message to the main	And I'm on my way
(Oh)	
Seasons come and go	
But I will never change
