## Written In The Stars by Tinie Tempah & Eric Turner

(On)		***
Written in the stars		(Yeah), I needed a change
A (1)	miles away	When we ate we never took because we needed a change
A message to the main (oh)		I needed a break
Seasons (2)	and go	For a sec I even gave up believing and praying
But I will never change		I even done the legal stuff and was leaded astray
And I'm on my way		Now money is the root to the evilist ways
Let's go yeah!		But have you ever been so hungry that it keeps you awake
You're listening now		Mate, now my hunger would leave them amazed
They say they ain't heard nothing like this in a while		Great, it (6) like a long time coming, fam
That's why they play my song on so many different dials		Since the day I (7) of that cunning plan
Cause I got more hits than a disciplined child		One day I had a dream I tried to chase it
When they see me everybody (brrrrrap's, brrrrrraps)		But I wasn't going nowhere, running man!
Man I'm like a young gun fully black Barrack		I knew that maybe (8) I would understand
I cried tear drops over the massive attack		Trying to turn a tenner to a hundred grand
I only make hits (3) I (4) with a racket		Everyones a kid that no-one (9) about
and bat		You just have to keep screaming until they hear you out
Look at my jacket and hat		(Oh)
So damn berserk		Written in the stars
So down to earth		A million miles away
I'm bringing gravity back		A message to the main
Adopted by the major I want my family back		(Oh)
People work hard just to get all their salary taxed		Seasons come and go
Look I'm just a writer from the ghetto		But I will never change
Like Malory black man!		And I'm on my way
Where the hells all the sanity at, damn!		
I used to be the kid that no one cared about		(Oh)
That's why you have to keep screaming		Written in the stars
Til they (5) you out		A million miles away
(Oh)		A (10) to the main
Written in the stars		(Oh)
A million miles away		Seasons come and go
A message to the main		But I will never change
(Oh)		And I'm on my way
