

## Fill in the gaps

### Never Do That by The Pretenders

Let me stay	You're a master of illusion
One more day	You say you do - but you don't
It would (1) so (2) to me	You think I (11) I (12) I won't
I won't (3) a sound	When I see you (13) there
I'll (4) hang around	It sends a shock (14) (15) me
I'll sit where the (5) one sat	I never thought an ordinary chair
But oh no	Could (16) such poetry
I'd never do that	I don't (17) (18) time
Take my mouth as far as you can see	I haven't got the tact
It (6) (7) (8)	I (19) (20) my means in fact
I care to think	Oh no
Put me out of my misery	I'd never do that
If I could keep it shut	I'd (21) do that
I wouldn't be in (9) rut	I'd (22) do that
With less chance than a (10) rat	I'd never do that
Oh no	
I'd never do that	

# SUB inglés

#### 1. mean

- 2. much
- 3. make
- 4. just
