Show me (1) and tell me he	ow I see before me a new horizon

see (2) as people see me	like me
Oh, I just know there's something bigger out there	Come with me now to see my world

Strangers like me	Can you feel the things I feel
Tell me more, please (3) me	Right now, with you
Something's familiar about these strangers like me	Take my hand
Every gesture, every move that she makes	There's a world I need to know

This growing need to be beside her	Tell me more, (9) show me
