No One Else Comes Close by Backstreet Boys

When we turn out the lights	And I always will, cuz in my eyes (oh baby)
The two of us (1) together	No one (5) comes close to you
Something's just not right	No one makes me (6) the way you do
But girl you know that I would never	You're so (7) girl to me
Ever let another's touch, come between the two of us	And you'll (8) be eternally
Cuz no one (2) will ever take your place	Every time I hold you near
No one else comes close to you	You always say the words I (9) to hear
No one makes me feel the way you do	Girl (10) just a touch you can do so much.
You're so special girl to me	No one else comes close to you
And you'll always be eternally	No one makes me feel the way you do
Every time I hold you near	You're so special girl to me
You always say the words I love to hear	And you'll always be eternally (baby)
Girl with just a touch you can do so much	Every time I hold you near
No one else comes close	You always say the words I love to hear
No one else comes close	Girl with just a touch you can do so much
No one else comes close	No one else comes close
And when I wake up to	No one else comes close
The touch of your head on my shoulder	No
You're my dream come true (oh yeah)	No one else comes close
Girl you know I'll (3) treasure	
Every kiss and everyday I'll love you girl in (4)
