

Fill in the gaps

I have a dream
A song to sing
To help me cope
With anything
If you see the wonder
Of a fairy tale
You can (1) the future
Even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time
ls (2) for me
I'll cross the stream
I have a dream
I (3) a dream
A fantasy
A fantasy  To help me through
To help me through
To help me through Reality
To help me through Reality And my destination
To help me through Reality And my destination Makes it (4) the while

Something good in everything I see
I believe in angels
When I know the time
Is right for me
I'll cross the stream
I have a dream
I'll cross the stream
I have a dream
I have a dream
A (7) to sing
To help me cope
With anything
If you see the wonder
Of a (8) tale
You can take the future
Even If you fail
I (9) in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream I have a dream
