

## Fill in the gaps

There's (1) talking	I'm living life day to day
They (2) about me	It's never really easy but it's ok
They (3) my name	Wake up, wake up
They think they know everything	On a saturday night
But they don't know anything	Could be New York
About me	Maybe Hollywood and Vine
Give me a dance floor	London, (13) (14) Tokyo
Give me a DJ	There's something (15) on anywhere I go
Play me a record	Tonight
Forget what they say	Tonight
Cause I need to go	Yeah, tonight
I need to get away tonight	People all (16) you
I put my makeup on a saturday night	Everywhere that you go
I try and make it happen	People all (17) you
Try to (4) it all right	They don't really know you
I know I (5) mistakes	Everybody (18) it's some
I'm (6) day to day	kind of show
It's never really (8) but it's ok	Everybody's watching
Wake up, wake up	They don't (20) know you now
On a saturday night	And forever
Could be New York	Wake up, wake up
Maybe Hollywood and Vine	On a saturday night
London, Paris maybe Tokyo	Could be New York
There's something going on anywhere I go	Maybe Hollywood and Vine
Tonight	London, Paris maybe Tokyo
Tonight	There's (21) going on anywhere I go
Yeah, tonight	Wake up, (22) up
The cities restless	On a saturday night
It's all (9) me	Could be New York
People in motion	Maybe Hollywood and Vine
Sick of all the (10) routines	London, Paris maybe Tokyo
And they need to go	There's something going on anywhere
They need to get away	I go
Tonight	Tonight
I put my makeup on a (11) night	Tonight
I try and (12) it happen	Yeah, tonight
Try to make it all right	
I know I make mistakes
