

Fill in the gaps

Not Afraid by Eminem

(I'm not afraid... yeah, to take a stand...)

It's been a ride

(Everybody...)

I guess I had to (come take my hand...)

Go to that place

To get to this one (we'll walk this road together)

Now some of you (through the storm)

Might still be in that place (whatever weather, cold or warm)

If you're trying to get out (just letting you (1)_____ that)

(You're not alone)

Just follow me

(Holla if you feel that you've been down the same road)

I'll get you there

You can try and read my lyrics off of this paper

Before I lay them

But you won't (2)_____ the sting out these words

Before I say them

Cause ain't no way

I'ma let you stop me from causing mayhem

When I say them or do something I do it

I don't give a damn what you think

I'm doing this for me, so fuck the world

Feed it beans, it's gassed up if it thinks it's stopping me

I'ma be (3)_____ I set out to be without a (4)_____ undoubtedly

And all those who look down on me

I'm (5)_____ down your balcony

No ifs ands or buts don't try to ask him why or how can he

From (6)_____ down to the last Relapse album

He's still shitting whether he's on salary, paid hourly

Fill in the gaps

Until he bows out or he shits his bowels out of him

Whichever comes first, for better or worse

He's married to the game, like a fuck you for Christmas

His gift is a curse, forget the earth he's got the urge

To pull his dick from the dirt and (7)_____ the whole universe

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that (you've been down the same road)

Ok, quit playing with the scissors and shit and cut the crap

I shouldn't have to rhyme (8)_____ words

In the rhythm for you to know it's a rap

You (9)_____ you was king, you lied through your teeth

For that fuck your feelings

Instead of getting crowned, you're getting capped

And to the fans, I'll (10)_____ let you down again, I'm back

I (11)_____ to never go back on that promise

In fact, let's be honest, that last Relapse CD was ("ehhhh")

Perhaps I ran them accents into the ground

Relax, I ain't going back to (12)_____ now

All I'm tryna say is get back, (click-clack blaow!)

Cause I ain't playing around

There's a game (13)_____ circle and I don't know how

I'm way too up to (14)_____ down

But I think I'm still tryna (15)_____ this crap out

Thought I had it mapped out but I guess I didn't

Fill in the gaps

These fucking black clouds still follows me around

But it's time to exercise these demons

These motherfuckers are doing jumping jacks now!

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road

And I (16)_____ can't keep living this way

So starting today, I'm breaking out of this cage

I'm standing up, I'ma face my demons

I'm manning up, I'ma hold my ground

I've had enough, now I'm so fed up

Time to put my life (17)_____ together right now

It was my decision to get clean, I did it for me

Admittedly I probably did it subliminally for you

So I could (18)_____ (19)_____ a brand new me

You helped see me through

And don't (20)_____ realise what you did, believe me you

I (21)_____ (22)_____ the ringer

But they can do little to the middle finger

I think I got a tear in my eye

I feel like the king of my world

Haters can make like bees with no stingers

And drop dead, no more beef flingers

No (23)_____ drama from now on, I'm gonna promise

To focus solely on handling my responsibilities as a father

Fill in the gaps

So I solemnly swear to (24)_____ treat

This roof like my daughters and raise it

You couldn't lift a single shingle lonely

Cause the way I feel, I'm strong enough to go to the club

Or the corner pub and lift the whole liquor counter up

Cause I'm raising the bar, I shoot for the moon

But I'm too busy gazing at stars, I feel amazing and

I'm not afraid... (I'm not afraid)

To take a stand... (to (25)_____ a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this (26)_____ together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road
