Fill in the gaps

Not Afraid by Eminem

(I'm not afraid... yeah, to take a stand...)

It's been a ride

(Everybody...)

I guess I had to (come take my hand...)

Go to that place

To get to this one (we'll walk (1)_____ road together)

Now some of you (through the storm)

Might still be in that place (whatever weather, cold or warm)

If you're trying to get out (just letting you know that)

(You're not alone)

Just follow me

(Holla if you feel that you've (2)_____ down the (3)_____ road)

I'll get you there

You can try and read my lyrics off of this paper

Before I lay them

But you won't take the sting out these words

Before I say them

Cause ain't no way

I'ma let you stop me from causing mayhem

When I say them or do something I do it

I don't give a damn what you think

I'm doing this for me, so fuck the world

Feed it beans, it's gassed up if it thinks it's stopping me

I'ma be what I set out to be without a doubt undoubtedly

And all those who look down on me

I'm tearing down your balcony

No if ands or buts don't try to ask him why or how can he

From Infinite down to the last Relapse album

He's still shitting whether he's on salary, paid hourly

Fill in the gaps

Until he bows out or he shits his bowels out of him

Whichever comes first, for better or worse

He's married to the game, like a fuck you for Christmas

His gift is a curse, forget the earth he's got the urge

To pull his dick from the dirt and fuck the whole universe

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, (4)_____ the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that (you've been down the same road)

Ok, quit playing with the (5)_____ and shit and cut the crap

I shouldn't have to rhyme these words

In the rhythm for you to know it's a rap

You said you was king, you lied through your teeth

For that fuck your feelings

Instead of getting crowned, you're getting capped

And to the fans, I'll never let you down again, I'm back

I promise to never go back on that promise

In fact, let's be honest, that last Relapse CD was ("ehhhh")

Perhaps I ran them accents into the ground

Relax, I ain't going back to that now

All I'm tryna say is get back, (click-clack blaow!)

Cause I ain't playing around

There's a game called circle and I don't know how

I'm way too up to back down

But I think I'm (6)_____ tryna figure this crap out

Thought I had it mapped out but I guess I didn't

Fill in the gaps

These fucking black clouds still follows me around

But it's time to exercise these demons

These motherfuckers are doing jumping jacks now!

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, (7)_____ the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road

And I just can't keep living this way

So starting today, I'm breaking out of this cage

I'm standing up, I'ma face my demons

I'm manning up, I'ma hold my ground

I've had enough, now I'm so fed up

Time to put my life back together right now

It was my decision to get clean, I did it for me

Admittedly I (8)_____ did it subliminally for you

So I could come back a brand new me

You helped see me through

And don't even realise what you did, believe me you

I been through the ringer

But they can do little to the middle finger

I think I got a tear in my eye

I feel like the king of my world

Haters can make like (9)_____ with no stingers

And drop dead, no more beef flingers

No more drama from now on, I'm gonna promise

To focus solely on handling my responsibilities as a father

Fill in the gaps

So I solemnly swear to always treat

This roof like my daughters and raise it

You couldn't lift a single shingle lonely

Cause the way I feel, I'm strong enough to go to the club

Or the corner pub and lift the whole liquor counter up

Cause I'm raising the bar, I shoot for the moon

But I'm too busy gazing at stars, I feel amazing and

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road
