## California Gurls by Katy Perry & Snoop Dogg

Greetings loved ones	(Oh oh, oh)	
Let's take a journey	California gurls	
I know a place	We're undeniable	
Where the grass is really greener	Fine, fresh, fierce	
Warm, wet and wild	We got it on lock	
There must be something in the water	West coast represent	
Sipping gin and juice	Now put your hands up	
Laying underneath the palm (1) (undone)	(Oh oh, oh)	
The boys	Tone Tanned, fit and ready	
Break their necks	Turn it up (5) it's (6)	_ heavy
Tryna creep a (2) sneak (3) (at us)	Wild, wild, west coast	
You could travel the world	These are the girls I love the most	
But nothing comes close	I mean the ones, I mean like she's the one	
To the (4) coast	Kiss her, touch her, (7) her	
Once you party with us	(Uh)	
You'll be falling in love	The girl's a freak, she drives a jeep	
California gurls	And lives on the beach
