One Headlight by Wallflowers

So long ago, I don't remember when
That's when they say I lost my (1)_____ friend

Well they (2)_____ she died easy of a broken heart
disease

As I listened through the cemetery trees

I seen the sun comin' up at the funeral at dawn

The long broken arm of human law

Now it always seemed such a waste

She always had a pretty face

So I wondered how she hung around this place

(Hey) Come on try a little

Nothing is forever

There's got to be something better than

In the middle

But me and Cinderella

We put it all together

We can (3)_____ it home

With one headlight

She said it's cold

It feels like Independence Day

And I can't break away from this parade

But there's got to be an opening

Somewhere here in (4)_____ of me

Through this maze of ugliness and greed

And I seen the sun up ahead

At the (5)_____ line bridge

Sayin' all there's good and nothingness is dead

We'll run until she's out of breath

She ran until there's nothin' left

She hit the end, it's just her window ledge

(Hey) Come on try a little

Nothing is forever

There's got to be something better than

In the middle

But me and Cinderella

We put it all together

We can drive it home

With one headlight

Well (6)_____ place is old

It feels just like a beat up truck

I (7)_____ the engine, but the engine doesn't turn

Well it smells of cheap wine and cigarettes

This place is always such a mess

Sometimes I think I'd like to watch it burn

I'm so alone, and I feel just (8)_____ somebody else

Man, I ain't changed, but I (9)_____ I ain't the same

But somewhere here in between the city walls of dyin'

Dreams (10)_____ her death it must be killin' me

(Hey, hey, hey...) Come on try a little

Nothing is forever

There's got to be something better than

In the middle

But me and Cinderella

We put it all together

We can drive it home

With one headlight
