

Fill in the gaps

So (1) ago, I don't (2) when	(Hey) Come on try a little
That's when they say I lost my (3) friend	Nothing is forever
Well (4) said she (5) easy of a broken	There's got to be (16)
heart disease	(17) than
As I listened through the cemetery trees	In the middle
I seen the sun comin' up at the funeral at dawn	But me and Cinderella
The long broken arm of (6) law	We put it all together
Now it always seemed such a waste	We can (18) it home
She always had a pretty face	With one headlight
So I (7) how she hung	Well this (19) is old
(8) this place	It feels just like a (20) up truck
(Hey) Come on try a little	I turn the engine, but the engine doesn't turn
Nothing is forever	Well it smells of cheap (21) and cigarettes
There's got to be (9) better than	This place is always such a mess
In the middle	Sometimes I think I'd (22) to watch it burn
But me and Cinderella	I'm so alone, and I (23) just like somebody else
We put it all together	Man, I ain't changed, but I know I ain't the same
We can drive it home	But somewhere (24) in (25) th
With one headlight	city walls of dyin'
She said it's cold	Dreams think her death it (26) be killin' me
It feels like Independence Day	(Hey, hey, hey) Come on try a little
And I can't (10) away from (11)	Nothing is forever
parade	There's got to be something (27) than
But there's got to be an opening	In the middle
Somewhere here in front of me	But me and Cinderella
Through this (12) of ugliness and greed	We put it all together
And I seen the sun up ahead	We can drive it home
At the county (13) bridge	With one headlight
Sayin' all there's (14) and nothingness is dead	
We'll run until she's out of breath	
She ran until there's nothin' left	
She hit the end, it's (15) her window ledge
