One Headlight by Wallflowers

Fill in the gaps

So long ago, I don't remember when	(Hey) Come on try a little
That's when they say I lost my only friend	Nothing is forever
Well they said she died easy of a broken heart disease	There's got to be something better than
As I listened through the cemetery trees	In the middle
I seen the sun comin' up at the (1) at dawn	But me and Cinderella
The long broken arm of human law	We put it all together
Now it always seemed such a waste	We can drive it home
She always had a pretty face	With one headlight
So I wondered how she hung around this place	Well this place is old
(Hey) (2) on try a little	It feels just like a (8) up truck
Nothing is forever	I turn the engine, but the engine doesn't turn
There's got to be something better than	Well it smells of cheap wine and cigarettes
In the middle	This place is always such a mess
But me and Cinderella	Sometimes I think I'd like to watch it burn
We put it all together	I'm so alone, and I feel just like somebody else
We can drive it home	Man, I ain't changed, but I know I ain't the same
With one headlight	But somewhere (9) in between the city walls of
She said it's cold	dyin'
It (3) like (4) Day	Dreams think her death it (10) be killin' me
And I can't break away from this parade	(Hey, hey, hey) Come on try a little
But there's got to be an opening	Nothing is forever
Somewhere here in front of me	There's got to be something better than
Through this (5) of ugliness and greed	In the middle
And I (6) the sun up ahead	But me and Cinderella
At the county line bridge	We put it all together
Sayin' all there's good and nothingness is dead	We can drive it home
We'll run until she's out of breath	With one headlight
She ran until there's nothin' left	
She hit the end, it's just her (7) ledge
