Girl I know I've been such a fool	me
Giving in to temptation	Anyone can fail
When I should've played it cool	Say you will believe me
The situation got out of hand	I can't take my heart will break
I hope you understand	'Cause I (18) a stupid mistake
It can happen to	A stupid mistake
Anyone of us, anyone you (2) of	A stupid mistake
Anyone can fall	She means nothing to me
Anyone can hurt someone (3) love	Nothing to me
Hearts will break	I swear every word is true
'Cause I made a stupid mistake	Don't (19) lose you
It can happen to	The situation got out of hand
Anyone of us, say you will forgive me	I (20) you understand
