

We're meant to be together

Fill in the gaps

Lucky you were born that far away so	I'll be there and you'll be near
We could both make fun of distance	And that's the deal my dear
Lucky that I (1) a (2)	There over, here under
(3) for	You'll never have to wonder
The lucky (4) of your existence	We can always play by ear
Baby I would climb the Andes solely	But that's the deal my dear
To count the freckles on your body	(Le do lo le lo le)
Never could imagine there (5) only	Think out loud, say it again
Ten million (6) to love somebody	(Le do lo le lo le lo le)
(Le do lo le lo le le do lo le lo le)	Tell me one more time
Can't you see I'm at your feet	That you'll live
Whenever, wherever	Lost in my eyes
We're meant to be together	Whenever, wherever
I'll be there and you'll be near	We're meant to be together
And that's the deal my dear	I'll be (8) and you'll be near
There over, here under	And that's the deal my dear
You'll never have to wonder	There over, here under
We can always play by ear	You've got me head over heels
But that's the deal my dear	There's nothing left to fear
Lucky (7) my lips not only mumble	If you really feel the way I feel
They spill kisses like a fountain	Whenever, wherever
Lucky that my breasts are small and humble	We're meant to be together
So you don't confuse them with mountains	I'll be there and you'll be near
Lucky I have strong legs like my mother	And that's the deal my dear
To run for cover when I need it	There over, here under
And these two eyes that for no other	You've got me (9) (10) heels
The day you leave will cry a river	There's nothing left to fear
(Le do lo le lo le le do lo le lo le)	If you really feel the way I feel
At your feet I'm at your feet
