Whenever, Wherever by Shakira

Fill in the gaps

Lucky you were born that far away so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky (1) of (2) existence
Baby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody
(Le do lo le lo le le do lo le lo le)
Can't you see I'm at your feet
Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the (3) my dear
There over, here under
You'll (4) (5) to wonder
We can always play by ear
But that's the (6) my dear
Lucky (7) my lips not only mumble
They spill (8) (9) a fountain
Lucky that my breasts are small and humble
So you don't confuse them (10) mountains
Lucky I (11) legs
(13) my mother
To run for cover when I need it
And these two (14) that for no other
The day you leave (15) cry a river
(Le do lo le lo le le do lo le lo le)
At (16) feet I'm at your feet
Whenever, wherever
We're meant to be together

I'll be there and you'll be near
And that's the deal my dear
There over, here under
You'll never have to wonder
We can (17) play by ear
But that's the deal my dear
(Le do lo le lo le le do lo le lo le)
Think out loud, say it again
(Le do lo le lo le lo le)
Tell me one (18) time
That you'll live
Lost in my eyes
Whenever, wherever
We're (19) to be together
I'll be there and you'll be near
And that's the deal my dear
There over, (20) under
You've got me head over heels
There's (21) left to fear
If you (22) feel the way I feel
Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
There over, (23) under
You've got me head (24) heels
There's nothing left to fear
If you really (25) the way I feel
