

Fill in the gaps

Hey, don't write yourself off yet
It's only in your head you feel left out
Or looked down on
Just try your best
Try everything you can
And don't you (1) what they tell themselves
When you're away
It just takes some time
Little (2) you're in the middle of the ride
Everything (everything) will be just fine
Everything (everything) will be alright (alright)
Hey, you (3) they're all the same
You know you're doing better on your own
So don't buy in
Live right now
Yeah, just be yourself
It doesn't matter if it's good enough
For someone else
It just takes some time
Little girl you're in the middle of the ride
Everything (everything) will be just fine
Everything (everything) will be alright (alright)

It just takes (4) time
Little girl you're in the middle of the ride
Everything (everything) will be (5) fine
Everything (everything) will be alright (alright)
Hey, don't write yourself off yet
It's only in your head you feel left out
Or (6) down on
Just do your best
Do (7) you can
And don't you worry what the bitter hearts
Are gonna say
It just takes some time
Little girl you're in the middle of the ride
Everything (everything) will be just fine
Everything (everything) will be alright (alright)
It just (8) some time
Little girl you're in the middle of the ride
Everything (everything) will be (9) fine
Everything (everything) will be alright
