Away from all pain

Fill in the gaps

Dead To The World (Live) by Nightwish

All the same, take me away	All the same, take me away
We're dead to the world	We're dead to the world
The child gave (1) to the poet's world	Dead, silent, constant
Gave comfort to the Fallen	Yet (8) changing
(Heartfelt, lovelorn)	- My favorite view of (9) world
Remaining, yet (2) uninvited	As he died, he will return to die in me again
Those (3) scented my soul	Weaving the cloth, giving birth
(Lonely soul, ocean soul)	To the Century Child
It's not the monsters under your bed	Who gave his life not for the world but for me
It is the Man next door	Innocence reborn once more
That makes you fear, makes you cry	Heaven queen, carry me
Makes you cry for the child	Away from all pain
All the wars are (4) (5)	All the same, take me away
(6) lonely men	We're dead to the world
Unarmed, unscarred	Heaven queen, cover me
I don't (7) to die a scarless man	In all that blue
A lonely soul	Little boy, such precious joy
(Tell me now what to do)	Is dead to the world
I studied silence to learn the music	Heaven queen, carry me
I joined the sinful to regain innocence	Away from all pain
Heaven queen, cover me	All the same, take me away
In all that blue	We're dead to the world
Little boy, such precious joy	We're dead to the world!
Is dead to the world	
Heaven queen, carry me	

Fill in the gaps
