I wish I had an angel	Burning angel wings to dust
For one (1) of love	I (16) I had your (17) tonigl
I (2) I had your (3) tonight	Greatest thrill
Deep (4) a (5) day	Not to kill
I (6) a (7) outside	But to have the prize of the night
An innocent heart	Hypocrite
Prepare to (8) me fall when I may	Wannabe friend
This night (9) hurt you like (10)	13th (18) who betrayed
before	Me for nothing!
Old loves they die hard	Last dance, (19) kiss
Old lies (11) die harder	Your touch, my bliss
I wish I had an angel	Beauty always comes
For one moment of love	With (20) thoughts
I wish I had your angel	I (21) I had an angel
Your Virgin Mary undone	For one moment of love
I'm in love with my lust	I wish I had (22) angel
Burning (12) wings to dust	Your Virgin (23) undone
I wish I had your angel tonight	I'm in love with my lust
I'm (13) so frail and cruel	Burning (24) wings to dust
Drunken disguise (15) all the rules	I wish I had your angel tonight
Old loves they die hard	I wish I had an angel
Old lies they die harder	I (25) I had an angel
I wish I had an angel	I wish I had an angel
For one moment of love	I wish I had an angel
I wish I had your angel	
Your Virgin Mary undone	
I'm in love with my lust
