## Dance Of Death (Live) by Iron Maiden

	Below my undead body
Let me tell you a story to (1) the bones	Just danced the circle of dead
About a thing that I saw	Until the (15) (16) to reunite us both
One night (2) in the everglades	My (17) came back down to me
I'd one drink but no more	I didn't know if I was alive or dead
I was rambling, (3) the bright moonlight	As the others all (18) in with me
Gazing up at the stars	By luck then a skirmish started
Not (4) of a presence so near to me	And (19) the attention away from me
Watching my every move	When they took (20) gaze from me
Feeling (5) and I fell to my knees	Was the (21) that I fled
As something (6) me (7) the trees	I ran (22) (23) faster than the wind
Took me to an unholy place	But behind I did not glance
And that is where I fell from grace	One thing that I did not dare
Then (8) (9) me over to join in	Was to look just straight ahead
with them	When you know that your time has come around
To the dance of the dead	You know you'll be prepared for it
Into the circle of fire I followed them	Say your last goodbyes to everyone
Into the middle I was led	Drink and say a (24) for it
As if (10) had stopped still I was numb with fear	When you're lying in your sleep
But still I wanted to go	When you're (25) in your bed
And the blaze of the (11) did no hurt upon me	And you wake from your dreams to go dancing with the dead
As I walked onto the coals	When you're lying in your sleep
And I felt I was in a trance	When you're lying in (26) bed
And my spirit was lifted from me	And you wake from your dreams to go dancing (27)
And if only someone had the chance	the dead
To witness what happened to me	To this day I guess I'll never know
And I danced and I pranced and I sang with them	Just why they let me go
All had death in their eyes	But I'll never go dancing no more
Lifeless figures they (12) (13) all of	'Til I (28) with the dead
them	
They had ascended from hell	
As I danced with the dead	
My (14) spirit was laughing and howling down at
