

## Fill in the gaps

### One Love by David Guetta & Estelle

Can anybody help me?	Now I (12) try and fix (13) all by
I'm (1) plans	myself
Guess I (2) my world in somebody's hands	But I (14) it'd turn out better if you help
I don't like to hurt but	No one likes to (15) but
But (3) gets weak	But (16) gets weak
Someone to rely on	Someone to rely on
That's (4) I really need	That's what everybody needs
Now here we stay	Now here we stay
It's all that we're worth	It's all (17) we're worth
I've been through the pain and	I've been (18) the pain and
Been dragged through the dirt	Been dragged through the dirt
Whatever they tell you (5) bigger than words	Whatever (19) tell you were bigger than words
I've been (6) you're standing	I've (20) where you're standing
I know how it hurts	I know how it hurts
Let this be a song now	Let this be a song now and this be our day
And this be our day	And we stand together we'll be okay
And we stand together	'Cause we're survivors
We'll be okay	We're (21) it work
'Cause we're survivors	Expecting the (22) when they hope for the worst
We're making it work	One love
Expecting the best (7) they hope for the worst	This is the way we found (one love)
(One love)	Even though they'll let you (23) (one love)
This is the way we found (one love)	Nobody's perfect now (one love)
Even though they'll let you (8) (one love)	Don't let that (24) you down (one love)
Nobody's perfect now (one love)	Let's stick together now (one love)
Don't let (9) hold you (10) (one love)	We got to stand our ground (one love)
Let's (11) together now (one love)	It's easy to (25) in, one love
We got to stand our ground (one love)	Believe in you and me
It's easy to believe in, one love	One love
Believe in you and me, one love
