

Over the hills and far away...

Fill in the gaps

Over The Hills And Far Away by Nightwish

They came for him one winter's night	he swears he will return one day
Arrested	Far from the mountains and the seas
he was bound	back in her arms he swears he'll be
They said there'd been a robbery	Over the hills and far away
his (1) had been found	Over the (6) and
They marched him to the station house	Over the (7) and
he waited for the dawn	Over the hills and far away
And as they led him to the dock	Each night within his prison cell
he knew that he'd (2) wronged	he looks out through the bars
"You (3) accused of robbery"	He reads the letters that she wrote
he heard the bailiff say	One day he'll know the taste of freedom
He knew without an alibi	Over the (8) and far away
tomorrow's light would mourn his freedom	she (9) he will return one day
Over the hills and far away	As sure as the rivers reach the seas
for ten (4) years he'll count the days	back in his arms he swears she'll be
Over the mountains and blue seas	Over the hills and far away
a prisoner's life for him there'll be	he swears he will return one day
He knew that it would cost him dear	Far from the mountains and the seas
but yet he dare not say	back in her arms he swears he'll be
where he'd had been that (5) night	Over the (10) and far away
a secret it must stay	she prays he will return one day
He had to fight back tears of rage	As sure as the rivers reach the seas
his heart beat like a drum	back in his arms he swears she'll be
For with the wife of his best friend	
he spent his final night of freedom
