## Back For Good (Live) by Take That

## Fill in the gaps

I guess now it's time	You'll be right and understood
For me to give up	(Want you back, want you back)
I feel it's time	I want you back for good
Got a picture of you beside me	And we'll be together
Got your lipstick mark (1) on your coffee cup	This time is forever
(Oh yeah)	We'll be fighting and forever we will be
Got a (2) of pure emotion	So complete in our love
Got a head of shattered dreams	We (7) never be uncovered again
Gotta leave it, gotta leave it all behind now	
Whatever I said, whatever I did I didn't mean it	Whatever I said, whatever I did I didn't mean it
I (3) want you back for good	I just want you back for good
(Want you back, want you back, want you back for good)	(Want you back, want you back)
Whenever I'm wrong (4) (5) me the	Oh want you back for good
song and I'll sing it	Whenever I'm (8) just tell me the song and I'll
You'll be (6) and understood	sing it
(Want you back, want you back)	You'll be right and understood
I want you back for good	(Want you back, want you back)
Unaware but underlined	Oh I want you back for good
I figured out this story	Whenever I'm wrong, I'll tell you
It wasn't good	I want you back
But in the corner of my mind	I want you back
I celebrated glory	I want you back for good
But that was not to be	Whenever I'm wrong, I'll tell you
In the twist of separation you excelled in being free	I want you back
Can't you find a little room inside for me	I (9) you back
Whatever I said, whatever I did I didn't mean it	I want you back for good
I just want you back for good	(Oh yeah)
(Want you back, want you back)	I guess now it's (10) you can back for good
I want you back for good	
Whenever I'm wrong just tell me the song and I'll sing it
