

Even if the sky is falling down

## Fill in the gaps

Baby are you down? down, down, down	You'll be my only	
Even if the sky is falling down, down, down	No need to worry	
You already know	Baby are you down? down, down, down	
Tonight is the night to let it go	Baby are you down? down, down, down	
Put on a show	Even if the sky is falling down	
I (1) see how you lose control	Down like she's suppose to be	
So leave it behind, cause we have a night to get away	She (7) down me	
So come on and fly with me	Down like her temperature	
As we make our great escape	Cause to me she's zero degrees	
So (2) don't worry	She's cold, over freeze	
You are my only	I got (8) (9)	from over seas
You won't be lonely	Now she's my Miss America	
Even if the sky is (3) down	Now can I be her soldier, please?	
You'll be my only	I'm fighting for this girl on the battlefield of love	
No need to worry	Got me look like baby Cupid	
Baby are you down? down, down, down	Sending arrows from above	
Baby are you down? down, down, down	Don't you ever leave the side of me	
Even if the sky is falling down	And waiting definitely, not probably	
Just let it be	And (10)	I'm down like that economy
Come on and bring (4) (5) next to me	Baby don't worry	
I'll take you away	You are my only	
Turn this place into our private getaway	You won't be lonely	
So leave it behind, (6) we have a night to get	Even if the sky is falling down	
away	You'll be my only	
So come on and fly with me	No need to worry	
As we make our great escape	Baby are you down? down, down, down	
So why don't we run away	Baby are you down? down, down, down	
Baby don't worry	Even if the sky is falling do	own
