

You won't be lonely

Even if the sky is falling down

Fill in the gaps

Baby are you down? down, down	You'll be my only
Even if the sky is falling down, down, down	No (12) to worry
You already know	Baby are you down? down, down, down
Tonight is the night to let it go	Baby are you down? down, down, down
Put on a show	Even if the sky is (13) down
I wanna see how you lose control	Down like she's suppose to be
So leave it behind, (1) we (2) a night	She gets down me
to get away	Down like her temperature
So come on and fly (3) me	Cause to me she's zero degrees
As we make our great escape	She's cold, (14) freeze
So (4) don't worry	I got that (15) (16) over seas
You are my only	Now she's my Miss America
You won't be lonely	Now can I be her soldier, please?
Even if the sky is falling down	I'm fighting for this girl on the battlefield of love
You'll be my only	Got me (17) (18) baby Cupid
No need to worry	Sending arrows (19) above
Baby are you down? down, down	Don't you ever leave the (20) of me
Baby are you down? down, down	And waiting definitely, not probably
Even if the sky is falling down	And honestly I'm down like that economy
Just let it be	Baby don't worry
Come on and bring your body next to me	You are my only
I'll (5) you away	You won't be lonely
Turn (6) (7) (8) our	Even if the sky is falling down
(9) getaway	You'll be my only
So (10) it behind, cause we have a	No (21) to worry
(11) to get away	Baby are you down? down, down, down
So come on and fly with me	Baby are you down? down, down, down
As we make our great escape	Even if the sky is falling down
So why don't we run away	
Baby don't worry	
You are my only
