

Even if the sky is falling down

## Fill in the gaps

Baby are you down? down, down	You'll be my only
Even if the sky is falling down, down, down	No need to worry
You already know	Baby are you down? down, down, down
Tonight is the night to let it go	Baby are you down? down, down, down
Put on a show	Even if the sky is falling down
wanna see how you lose control	Down like she's suppose to be
So leave it behind, (1) we (2) a	She gets down me
(3) to get away	Down like her temperature
So come on and fly with me	Cause to me she's zero degrees
As we (4) our great escape	She's cold, over freeze
So baby don't worry	I got that girl from over seas
You are my only	Now she's my Miss America
You won't be lonely	Now can I be her soldier, please?
Even if the sky is falling down	I'm fighting for this girl on the (8)
You'll be my only	of love
No need to worry	Got me look like baby Cupid
Baby are you down? down, down	Sending arrows from above
Baby are you down? down, down	Don't you ever leave the (9) of me
Even if the sky is falling down	And waiting definitely, not probably
Just let it be	And honestly I'm down (10) that economy
Come on and (5) your (6) next to me	Baby don't worry
'll (7) you away	You are my only
Turn this place into our private getaway	You won't be lonely
So leave it behind, cause we have a night to get away	Even if the sky is falling down
So come on and fly with me	You'll be my only
As we make our great escape	No need to worry
So why don't we run away	Baby are you down? down, down, down
Baby don't worry	Baby are you down? down, down, down
You are my only	Even if the sky is falling down
You won't be lonely
