

## Fill in the gaps

Is there (1) I (2)	Boy you led me to believe
know?	We (15) stand the (16) of time
Are there secrets you won't show?	You (17) you'd be forever mine
Even after all this time	Just give me your key before you leave
You cheat on me	Every (18) moment I was there for you
Pretend we're fine	All you ever did was be untrue
You know I can't (3) you anymore	(Oops) You're gone
Every single (4) I was there for you	Just play (19) (20) with
All you (5) did was be untrue	(21) else
(Oops) (6) gone	I'm done
Just play (7) games with someone else	With you and your lies
I'm done	You're so wrong
With you and your lies	To make me cry
You're so wrong	This is the last goodbye
To make me cry	(Oops) You're gone
This is the last goodbye	Just (22) (23) (24) with
(Oops) (8) gone	(25) else
Just (9) (10) (11)	I'm done
(12) else	With you and your lies
I'm done	You're so wrong
With you and your lies	To make me cry
You're so wrong	This is the last goodbye
To make me cry	
This is the (14) goodbye	
I was young and so naive
