A Thousand Miles by Vanessa Carlton

Making my way downtown		And I, I
Walking fast		Don't want to let you know
Faces pass and I'm (1)	bound	I, I
Staring blankly ahead		Drown in your memory
Just making my way		I, I
Making a way (2)	the crowd	Don't want to let this go
And I need you		I, I
And I miss you		Don't
And now I wonder		Making my way downtown
f I could fall		Walking fast
nto the sky		Faces pass
Do you think time		And I'm home bound
Would pass me by		Staring blankly ahead
Cause you know I'd walk		Just (4) my way
A thousand miles		Making a way
f I could just see you		Through the crowd
Tonight		And I still need you
t's always times like these		And I still (5) you
When I think of you		And now I wonder
And I wonder		If I could fall
f you ever		Into the sky
Think of me		Do you think time
Cause everything's so wrong		Would pass us by
And I don't belong		'Cause you (6) I'd walk
_iving in your		A thousand miles
Precious memories		If I (7) just see you
Cause I need you		If I could fall
And I miss you		Into the sky
And now I wonder		Do you think time
f I (3) fall		Would pass me by
nto the sky		'Cause you know I'd walk
Do you think time		A (8) miles
Would pass me by		If I could just see you
Cause you know I'd walk		If I could just (9) you
